

Adult Rider Low Score Awards

released 4/13/08

The 2008 competition season will soon be underway in Area IV. The Area IV Adult Rider Program has asked all of the Area IV organizers to help the program out this year by awarding the Area IV Adult Rider Low Score ribbon at the competition.

Several organizers have already responded positively to this request and we will keep members posted as to which events will be giving out the awards. We are hoping that the remaining organizers will also agree to give out this award.

At this point the following horse trial organizers have agreed to give the award at their show:

Mill Creek Pony Club Horse Trial
Silverwood Horse Trials
Fox River Valley Horse Trials
Maui Jim Horse Trials
Wayne DuPage Horse Trials
Catalpa Corners Horse Trials
Heritage Park Horse Trials
Hunter Oaks Horse Trial
Queeny Park Horse Trials

In order for this to run smoothly for everyone, the following rules will be in place for you to qualify for this award:

- 1) 2008 membership form and dues have to be received by the Adult Rider Coordinator by the original closing date that is published in the omnibus. A current list of Area IV Adult Riders will be sent to the organizer on the initial closing date. Please visit the Adult Rider page on the Area IV website (www.usea4.org) for a membership form and additional information.
- 2) The ribbon will be awarded to the Area IV Adult Rider member that has the lowest overall score at the completion of the horse trial.
