New CIC Competition in Area IV

Otter Creek Farm is hosting its first CIC-1&2* competitions as part of its May horse trial. Preparation for the Spring Event has been underway since last fall.

New Cross-Country Courses

Olympic Medallist John Williams has redesigned Otter Creek's cross-country courses. Flow over many segments of the course is reversed, the start box is relocated, and a number of new questions will be included.

New Stabling

Construction of a 60' x 200' barn housing 80 permanent stalls is nearly complete. The new barn will provide the farm with a total of 200 stalls. This will reduce the need for temporary tent stalls.

Cross Country Schooling

Come to the Otter Creek USEA **Hunter Pace on April 27**. Cost is \$30 per round. BN-T cross-country courses open. Please contact us if you would like to ride P or I courses, they will only be available if you pre register! Check our web site for updates and cancellations.

New Shows

Otter Creek Farm has added 3 new USDF/USEF dressage shows. "May Flower I and II", May 3 and 4th, two shows on one weekend. "Otter Creek Dressage Fest" returns on August 16-17 and "Otter Creek Fall Fest" will take place October 4-5. Dressage Schooling Shows are scheduled on April 26th and August 15th.
