

## Young Rider News – 5/6/2008

Get your USEA Code of Conducts in to Laura Pagles (contact info on Membership document) as soon as possible. Riders and parents must have this document on file in order to participate in the program. This is a new condition put forth by USEA for 2008.

NAJYRC Intent to Ride and Groom forms are posted on the website. They are to be received by Kelly Theisen no later than June 1, 2008 per USEF rules.

Midsouth Intent to Ride forms will be posted by mid-May. They are to be received no later than July 1, 2008.

Camp is filling quickly. Please send Kelly e-mail notification at [ktheisen51@yahoo.com](mailto:ktheisen51@yahoo.com) if you plan to attend. The sign-up document will be posted and e-mailed to members shortly. Camp will be at Lamplight Equestrian Center July 23-26. Clinicians (unless Beijing gets them!) are Allison Springer and Jonathan Holling. There will also be a dressage specialist if numbers warrant another clinician.

Thanks to Versailles Equestrian, Hunter Oaks, and Lamplight for donating the use of their facilities to host Young Rider clinics and camp.

NAJYRC candidates must either attend one of the Jonathan Holling clinics or do one of the following:

1. Have two lessons with one of the selectors (Jon Holling, Allison Springer, Erik Dierks, or Beth Stoker)
2. Attend one of the Buck Davidson clinics where Beth Stoker will audit and conference with Buck.
3. Attend the Allison Springer clinic at Timbercreek Stables.

Fundraising efforts are falling behind due to a lack of interest from members to organize and run silent auctions. Remember our ability to fund programs (NAJYRC, Midsouth, camp, clinics) is completely reliant on our members' fundraising efforts. Thanks to those of you already busy securing donations/sponsors for the program.
